Synod Boys Of 1923

Tempus does fugit. Would you believe it—just eight years ago this picture was taken and now look at it. Can you find Walter Beattie of this year's graduating class at Davidson, or Allen Bustle of the 1930 Gastonia Football team? O. J. Moody of the Charlotte Piedmont Junior football team is in there too. And then, all these of Barium's 1930 squad.

Those two big line-busting backs—MacKay and King, the Lee brothers, Morris and Joe. Geo. Ayers, Ned MacKay, and Ralph Hunt. Then there is Billy Hudson, that pass catching end on the 1928 team. Lest we forget there are also three members of the National Champion Midget team, John Lee, Bob Reavis, and Joe Keenan. Of this group 14 are still at Barium—5 will graduate this year.

Our Graduating Class

Those of our readers who have good memories will no doubt recall that at this date last year we published the pictures of our 1930 graduating class—twenty-one, all told. The biggest class in the history of the Institution. They covered almost one whole side of the Messenger.

In this issue we are publishing the picture of the 1931 graduating class, and this is a larger class by one, than last year.

In presenting these pictures and these young people to you, we can think of lots of things that we would like to say about them. We could use all the adjectives that we used in describing previous graduating classes, and then add a lot more. Barium isn't going to seem like the same place when this fine bunch of young people leave us. We want them all to be in close touch with us for many years to come.

As it happens, a larger proportion of this class are going to college than of most graduating classes, and we will be in close touch with them for at least four years longer.

Look at these pictures until their likenesses are impressed on your mind, so that you will recognize any one of them when you meet them. You can depend on it, they are all right.

THE INSTITUTE FOR ORPHANAGE WORKERS

During the first two weeks of April, fourteen members of our staff made ten trips to Charlotte attending all-day sessions of the Institute for Orphanage Workers. The discussions in these meetings were led by four people of national reputation.

We were so delighted to have a brief visit from each one of these leaders. Of course we all remember Mr. Hopkirk of the Child Welfare League of America and his visit to us was almost like a visit from home folks. Miss Bunke, of the National Recreational Association, spent almost a day with us, and we will no doubt remember her for many years to come. Wherever she goes she seems to start something, and it is easy to start those things at Barium. We are looking for ways to make our play life and recreations more and more comprehensive and beneficial.

Dr. LeRoy Wilkes of the Child Health Association of America, spent one night with us. We enjoyed having him so much and asked him so many questions that it is doubtful if he had a chance to observe much about Barium or to enjoy Barium himself.

The longest visit of all was made by Miss Clarke of the Child Welfare League of America, who spent from Friday afternoon until Sunday morning with us. We were delighted to have these friends here and hope that they can visit us often enough for their faces to become familiar and their friendships renewed.

Analysis of a Kiss

A kiss is a pronoun, because "she" stands for it. It is masculine and feminine gender mixed, therefore common. It is a conjunction. It is an interjection (sounds that way). It is plural, because it calls for another. It is singular: nothing else like it. It is usually in apposition with a carress at least it's sure to follow. A kiss can be conjugated but never declined. It is not an adverb because it cannot be compared, but it is a word that expresses feeling (even a frosh knows that).

Table Of Late Receipts Applying On Church Year Ending March 31 1931

PRESBYTERY	APRIL RECEIPTS (Old Year)	Amount per Member for April	Amount for Year	Amount per Member due	Amount Behind or Ahead
Winston-Salem	$ 377.44	11c	$2.85	$1.35 ahead	$3.02
Granville	$ 260.16	5c	$1.51¾	1¾c ahead	$1.41
Orange	$ 909.59	8c	$1.38	12c behind	$1.09
Concord	$1294.86	11¾c	$1.34¾	15¼c behind	$1.45
Mecklenburg	$1755.46	10¾c	$1.26½	23½c behind	$1.29
Albemarle	$ 139.38	3¾c	$1.20	30c behind	$1.30
Kings Mountain	$ 183.20	3½c	$1.10½	39½c behind	$1.36
Fayetteville	$ 751.50	6½c	.91c	59c behind	.91c
Wilmington	$ 779.67	10¼c	86¼c	63¾c behind	.98c
TOTAL,	$6,451.26	8.6c	132.3c	17.7c behind	$1.29

We are publishing in the last column of the above Table, the total per member contributed during the year ending March the 31st, 1930 for comparison with the year just closed. We find that this past year all of the Presbyteries fell behind their contributions of a year ago, except two. Granville made a gain of ten cents per member, Orange a gain of twenty cents per member, and that reminds us that early in the year, several individuals in Orange Presbytery made a special contribution for a special purpose and this represents almost entirely the gain in that Presbytery over that of a year ago.

Winston-Salem Presbytery was still leading by a big margin, all the other Presbyteries in per capita gifts fell behind last year, 17 cents. Concord fell behind ten cents. Mecklenburg, three cents; Albemarle ten cents; Kings Mountain, twenty-six cents. Fayetteville Presbytery held its own, contributing exactly the same amount per capita this year as last. Wilmington Presbytery fell back twelve cents. The Synod as a whole made a slight gain of 3.3 cents per member.

This gain, however, is only apparent as 3.3 cents per member represents approximately the amount of checks that we have turned down by bank failures; and while the churches were credited for these checks, they have not turned into money for us yet.

This means that the net receipts this year are practically the same as for last year.

Possibly it will be interesting to some of our readers to know how the total contributions from the Synod have checked up during the last few years.

EXPLANATORY: The revenue from the churches needed for the orphanage for the year amounts to $107,000—an average $1.50 per church member, or 12½ cents per month. This table shows each month the contributions by the Presbyteries and how far behind or ahead they are on this schedule. The last column shows the standing. This does not mean that only $1.50 is expected from any member, but is used in reporting on large groups like a Presbytery.

In 1928, the total received was $109,372.03; In 1929, $94,383..33; And the year which the above table represents $95,064.35.

We don't like to talk too much about money in our May issue of the Messenger. There are so many other things that we know you are more interested in, and yet in spite of that, we have to publish two tables of receipts. One showing the finish of one year, and the other showing the first month of the new year. We don't have much to say about the other table, because it is always disappointing. We are so busy paying up our pledges of the old year that we—very few of us—get anything paid on the pledges of the new year.

If our obligations could be put off like that, everything would be lovely, but our expenses are just as prompt as the sun, and meet us anew every day. So just remember this and we won't have anything much more to say about finances in this issue.

Commencement

Our Commencement exercises will commence on Sunday A. M., May 31st, with the baccalaureate sermon by Rev. W. M. McLeod of Pinehurst. Our commencement speaker for Monday night, June 1st, will be Dr. M. L. Kesler of the Mills Home, Thomasville, N. C.

There will be a sermon to the Young Peoples' League on Sunday night. The speaker for this occasion has not yet been chosen.

Lottie Walker

2nd FLOOR

LOTTIE WALKER 2nd, April 21—Spring is here at last and we are all happily singing—"Happy Days Are Here Again."

Each cottage has to give a program in the dining room this Spring and we were lucky enough to have the Easter program. We are glad it is over and now we are enjoying those given by the other cottages.

All of our cottage's mothers or matrons have been going to Charlotte for two weeks attending a conference for Orphanage workers. We think they have been having a pretty nice time notwithstanding being tired after their daily eighty miles ride.

The manager of the "Playhouse" in Statesville gave us a real treat a week ago when he invited us to come as his guests to see "Rango", a very interesting picture.

We all enjoyed our Easter holidays very much, some of the teachers went home, some of the older boys and girls went visiting and some others went to town to movies.

We have had some real good base ball games this Spring, as our team is getting in pretty good shape. We have played former games and have been beaten once by Scotts, but we expect to win the return game, so look out Scotts!

Our Annual will soon be out and you know that means Commencement comes next.

We will be sorry to have our Senior girls and boys say good-by, but a sad time seems to come about this time every year.

Did you say anything about rain? Well we have for about eight Saturdays. But we shouldn't fuss, because we have been needing rain and now everything seems to have been helped by it, as our trees are in leaf, the grass green, flowers and fruit-trees in bloom and it looks so pretty around here we are giving each and every one of you a special invitation to come to see us and enjoy with us our lovely campus.

Lees

Lees Cottage, April 21—Time and tide wait for no man—and we write the news of another month; but as the close of school is near, we boys are not objecting to time going fast. We are counting the days til school closes. Then good times start, our swimming pool will be great, and we hope to do some fishing and other things. And there will be vacations to splice in with.

Lees Cottage has some new shrubs and we are all so proud of them. Some of the boys have made flower beds around the cottage too, so we are going to enjoy our flowers.

We are having great times now in competitive track meets. Our morning school boys met the afternoon school boys last Saturday in an exciting meet. Afternoon boys won in a score of 75 to 20. Next Saturday Lees "crashes" with Alexander Cottage boys. We hope to be victorious. Will tell you the score later.

We still enjoy our radio that our matron bought. It is lots of company and pleasure for us. We like to hear Amos 'n Andy, and Uncle Abe and David; and on Sunday we hear lots of pretty music, and if we are quiet sometimes we hear a good sermon, but it is pretty hard to keep a bunch of boys still that long. We are looking forward to hearing football scores over the radio.

We still enjoy our ping-pong game, and some of the boys are very professional in weilding the raquet. Most of our games now, however, are out of doors.

No one is sick in Lees Cottage now and all the sore arms from vaccinations are about well.

Our news is running low now, so will sign off till next month.

"House Cats."

WITHOUT A DREAM

Without a dream each man is useless clay,
And such who live will glean no brighter day,
From work, or rest, or strife, or ceaseless play,
And soon that day will waste and pass away.
Without a dream each life is cold and bare,
And such who live will glean few pleasures fair,
From earth, or men, or God who gladly share,
And do all dreams in proclaim declare.
Without a dream each day is hellish strife,
And ah! With such who live that earth is rife,
And to their grave there'll lead no drum or life,
To give to them the just proclaim of life.
Ah! Without a dream, each life is made obscure,
And more, such men who live are never sure
Of earth, of other men, or God who pure—
—Would that for dreamless men there were some cure.
To reach his dream, each soul must ceaseless work,
And fear not men, or things that quickly quirk.
And turn the hard-fought fight where danger lurk—
—Ah! Be a man, and dream, and dream and work.

—"The Campus Idler."

Class of '31

BARIUM SPRINGS HIGH SCHOOL

LOOK OUT WORLD!—This is what Barium is losing on you this year. The 1931 Graduating Class—the biggest yet.

Alice Craig—the last of a big family from Reidsville. You will probably find her at Flora McDonald next year—and up near the head of the class.

Lorena clark — From the county that produces strawberries and lots of folks named Clark—Columbus. Her address next year, Flora McDonald and everybody proud of it.

Marguerite Todd, — Greensboro. Athletic? Yes, but not stopping at that. Queens College next.

Helen Brown—from Baden, and headed for Mitchell College.

Eloise Mott—from Wilmington. Is going in training for nursing.

Avis Archer—from upper Mecklenburg—is planning to catch up with her sister in nursing.

Louise Wilson—from Statesville—and wants to go back there. A stenographer, and a pretty good one, too.

George Ayres—from Charlotte. Would like a good job back in Charlotte.

Morris Lee—from Mathews—handy with trucks, cars, tractors—needing a job.

Lafayette Donaldson— from Mt. Mourne. Hasn't lost a wrestling bout in four years. Can handle tractor with equal expertness. Can make them all behave.

Ned MacKay—from Asheville—headed for Durham. Editor-in-Chief of Annual.

Lee West—from down Tarboro way—headed for Davidson.

Ben Forte, Chas. Forte, from Oxford, the town that specializes in twins. They go to Davidson.

Ralph Hunt—from Greensboro—headed for Davidson.

Paul Pittman—from Durham—who will be aged in the wood one more year at Barium, and then, Davidson.

Joe Johnston—a kind of a half orphan, from right here at Barium. One more year here, and then Davidson.

Mary Alice Mott—from Wilmington. A good stenographer. Wants to go where a good job is.

Mozelle Beck—from Durham—plans to work in Washington, D. C. Another good stenographer.

Ruth Spencer—from Morganton—a stenographer. A job in Morganton would please her.

Joe B. Lee—from Mathews. Davidson bound.

Sam Bernardo —Charlotte. Going to Davidson.

Infirmary

INFIRMARY News April, 17—Patients are getting scarce this time of the year. We only have Edward Todd and Sally Farmer in bed now. Sally was operated on for appendicitis this month but she is getting along fine now.

We hope everybody had a fine Easter. We had an egg hunt in the house as you know it was raining out-side.

Bessie Kennedy, one of our girls, had to go to the Sanitorium last month and we sure do miss her. We hope she will soon be back with us.

Miss Moore and most of the other matrons have been going to the Orphanage Conference for the past two weeks and we have been pretty lonesome. Today is the last day and we know they will be glad.

Allie Crook, a former Barium girl, and also Infirmary girl, visited us on Easter Monday. We surely were glad to see her and hope she will come again. Mr. William Hudson, from Dunn, came down to see us also.

Jessie Roper went home for Easter and her sister, brother, and cousins came to see her last Saturday. We hope they will come again soon.

The kitchen girls have dolled the dining room up to a tee. When you come up here some time we would be glad to show you how nice it looks.

Well, these beautiful days have brought us some very pretty flowers.

We want to say that we are all looking forward to school being out and we know everybody else is too.

— P. O. H. —

"Has putting in that lunch counter helped your business?" asked Brown of the druggist.

"Well, it has about tripled the the sale of indigestion tablets."

Baby Cottage

BABY COTTAGE News, April 18—We're counting the days until school will be out because most of us are getting spring in our bones and feel like we just can't wait for it to end. For the last two weeks we've had a holiday since Miss Carson, our teacher, and all the other workers went to the Child Welfare Institute in Charlotte. We don't mind them being gone because we were out of school and had nothing to do all day long but play. We've got along so well without them we won't know what to do with them here. Last week they brought Miss Bunke and Mr. Hopkirk back with them. We enjoyed having them here even if they did look over the house from attic to basement. This week they brought Dr. Wilkes. We hope they can all come back some time to visit us.

John McGirt came during the Easter holidays, bringing his room mate George Bowers. We enjoyed their short visit and hope they can come again. Mama Girt went with them to Maxton for part of the holidays and took Ruth Spencer with her. They reported a good time. We appreciated Miss Turner being our matron. It rained Easter but we didn't mind that because it didn't prevent the Easter bunny from coming. On Easter morning we found lots of pretty Easter eggs that the bunnies had left during the night.

Many of our friends and relatives came during Easter; among them were some people from Cooleemee. We were in rest hour when they came, but we hope they will come again.

Mama Girt was called home today at the death of her brother-in-law. We sympathize greatly with her in her sorrow. Also Robert Kerr one of our little boys, went home a day for the funeral of his grand-father. We enjoyed having Lillie's sister, Miss Eulalie Bobbitt for dinner while she was here. Last Sunday we had Mr. Johnston and Miss Annie Fay Soux for dinner.

Since spring is here we have been enjoying long walks in the evening and were planning to have our supper in the apple-orchard under the trees this evening but guess we'll have it on the back porch since it wouldn't be Saturday if it were not raining. Good-bye until next time.

——P. O. H.——

We know a chap whose vocabulary seems largely made up of two words "Lousy" and "Swell." When his school team plays a losing baseball game, it's "lousy;" when he makes a good grade in an algebra test, it's "swell." No other words seem to work for him.

Listen ing to him is pretty monotonous, and gives the impression of feeling that talking well isn't of any importance. He doesn't put any punch in the things he says, and he makes us wonder, sometimes, whether there's any punch in the ideas behind them. Good looking sign posts are pretty important. There are a lot of good words in the dictionary if you'll only take the trouble to learn them, and you can create quite a good impression for yourself if you'll exercise your mind enough to use them.

Farm - Campus

FARM, April 16—Howdy friends, we shall now try to tell you about our work last month. We have been remodeling and enlarging some tennis courts over at Mr. Johnston's home which took over a week to finish since we had to haul top soil at quite a distance from the courts, nevertheless, they are completed and are ready to use with the exception of some backstops which will be soon put up by Mr. Nesbit.

We have rebuilt a road from the highway to the spring so as to encourage more picnics and make transportation of the water more easily than previously. The old spring house has been torn down and picnic tables will be made on the cement flooring.

Our wheat is in the best condition of any we have experienced in the last two years. Nitrate of Soda has been spread over it and it is growing excellently. We are in high hopes of an extra large crop. Our alfalfa is also in very good shape. It is nearly ready to yield its first cutting.

We are expecting over thirty or forty tons from the first cutting. When alfalfa is mentioned since we have installed a new hay hoist which will relieve us of a considerable amount of work storing the winter supply in the barns.

The mules have been kept busy lately so as to prepare the fields for corn planting. We expect to plant more corn this spring than ever before since we have cleared more new land than in previous years.

The football field which has been completed and all set for the next football season is quickly growing green with grass. It seems so for to have a good stand of grass which will be very beautiful by next fall.

Our fruit trees have blossomed out and escaped the clutches of Old Jack Frost and are prospering with great speed which looks like we are going to have plenty of fruit this year and perhaps enough to store away for the winter.

We have tried to give you a general idea of what has been happening from the farmers' point of view. So goodbye for a month.

Alexander - Dairy

ALEXANDER News, April 17—We are going to have a track meet to-day, the morning group vs the evening group. We will let you know how it came out next month.

Everybody went to the Playhouse Theater Saturday to see "Rango." We certainly thank the manager that let us in free.

The cows are coming up and that means more milk. All the apple trees and the other trees are in full bloom. We will be getting apples and pears and other fruit soon.

It is about time to start hunting squirrels and we will all take to the woods when the time comes.

Out in the back of Alexander we have a place for high jumping and pole vaulting and broad jumping also.

We go out and play every day and at night. Our varsity track team has not been beaten this year.

We sure are glad that there is but six more weeks of school, and then we will have our vacations. Some will go home and some will work and the others will go on the camping trip.

Marley Sigmon and Milton Gaskill have some pigeons and there are some chickens down here also. Marshall Little has a white rabitt.

We get a half an hour after supper every night but Wednesday, and Friday before study hall.

It won't be long until the swimming pool is opened and every one will be in swimming. .We will close for this time. —ROBERT GALLYON.

— P. O. H. —

A Kentucky girl whose father was an undertaker was sent to a fashionable New York boarding school for a finishing term. One day one of the girls asked her what business her father was in, and, fearing she would lose caste if she told the truth, she carelessly answered, "Oh, my father's a Southern planter."

ATHLETICS FOR MONTH OF MAY

The girls' basketball team played on Thursday, April the second, with Celeste Henkel School. The final score was Barium 16, Celeste Henkel 7. On Saturday, April the fourth, a track meet was held with Forsythe County. All of the consolidated schools of the county sending their best to this meet. The resulting score was: Barium Springs 78 1-3; Forsythe County, 25 1-3. Most of this track meet was in the rain, but was a pretty good meet at that.

On Thursday, the ninth, our girls journeyed to Charlotte and took on the girls of the Charlotte High School in a game of baseball. This game stood 9-9, at the end of the ninth inning, and it required an extra inning to decide. Barium was finally victor 10-9.

On Friday, the tenth, a track meet at Barium with Mocksville resulted in a score for Barium, 99-9.

On Saturday, the 11th there was a lively track meet between Morning Boys of Lees Cottage, against the Afternoon Boys. This was a very close meet, and it is doubtful whether if the final result has been decided yet.

On Monday, the 13th, our girls journeyed to Celeste Henkel for a return game, and came from behind to win, finally 22-18. In the 8th inning Celeste Henkel led 16-12, but our girls came right on and took that old game finally.

On Wednesday, the 15, Concord High met Barium at Barium in a track meet that Barium won 66 to 29. The best meet yet.

On Thursday the 16th, our girls played Scotts baseball team and were defeated 17-12. This was just too bad and was our only defeat in baseball this year.

On Saturday the 18th, we had our usual track meet between groups of our own boys. This time it was the morning and afternoon groups of Alexander Cottage that entertained us, and they put on a red-hot field day.

On Thursday the 23rd, we entertained more athletes than ever before in the history of Barium, although we did not participatein any of the events officially.

We played host to all the schools of Iredell County, except the city school. The track meet carried a number of events for high school competition, and then another set for grammar grades and a third set for primaries. All in all, there must have been at least four hundred contestants in all of these events, and there was one automobile for every contestant, which means that at the least, two thousand people were here.

On the 24th, our girls journeyed up to Scotts and defeated them 16-10. Which doesn't prove a thing, as it is almost the reversal of the score that Scotts beat Barium before.

On Tuesday the 28th, a big track meet with Mount Ulla took place, on Barium ground. The final result was Barium 69 2-3, and Mount Ulla 43 1-3. This is the best track team Barium has met during the season. Every event was closely contested with Barium showing marked superiority in the field events.

After the high school track meet, the grammar grades of Mount Ulla and Barium had an equally lively meet with Barium emerging victor. As this is written, no one has been able to figure up the exact score.

Fun

People have often remarked about Barium Springs people that they seemed to be having a good time, and why not? Anybody with as many friends as Barium has couldn't help but have a good time. We not only think up lots of things to do ourselves to make our lives pleasant, and then before we could ever think of getting blue, we find other people are thinking the same things. All of which brings me down to two especially enjoyable occasions recently.

There was a picture show called "Rango" appearing at the Playhouse not so long ago, and the Management just ups and invited all of Barium Springs to come to see it. It happened that this picture was on Saturday and before the dust settled that night, there had been a total of 350-odd free admissions to the Playhouse from Barium Springs.

Now that is a big enough treat to have lasted quite some time, but along toward the shank of the month, "Will Rogers in the Connecticut Yankee", came to this same Playhouse and the Management invited us again and at least 325 availed themselves of this opportunity; and all are still singing the praises of Will Rogers and the Playhouse Management.

Everybody has noted that Saturday has been the day for rains. We believe the last ten have been rainy Saturdays; but if you can remember all of those and can pick out the one that was the wettest, well, that was the day that the Seniors decided to have a picnic on. This picnic was voted to be held at the Lookout Fishing Club, seventeen miles from Barium.

Of course, cars could have been provided for this trip, but the young people had voted on a straw ride, and so a straw ride it was. Did the rain dampen anybody's spirits! Not so you could notice it! It dampened everything else, including the sandwiches, and even the ice cream tasted the least bit briny, but everybody came home after having to push the truck out of the ditch on three, occasions; pronouncing the day a complete success.

The ninth grade seeing the success of this "wet" picnic, selected another Saturday—two weeks later, and had almost the same experience with equal success.

A few weeks from now, the Juniors will entertain the Seniors in some sort of a picnic. We are advising all farmers not to have any hay out on that day and all carpenters to see that their houses are well covered and all housekeepers to see that the windows are shut, for it is liable to rain when two classes get together.

SYNOPSIS SENIOR CLASS PLAY "COLLEGE CUT-UPS"

DON'T FAIL TO SEE——

"College Cut-Ups", the Senior class play to be presented at the Barium auditorium, May 8th at 8:00 P. M.

ACT I. "Hungerford Hall," A College boarding-house near the campus of Lexington College. Late in October, where the first big football game is to be staged the following day. The boarding-house-keeper is a gay old lady (widow), but still young in spirit. She has outlived four husbands and wouldn't mind taking on another. The faculty and students are typical of any College students and faculty.

ACT II. Entrance to College auditorium Ballroom where the "Freshman Dance" is in full swing. A motion picture star gets entangled in a love affair with one of the College Seniors. The College authorities find out that the movie queen is there. Excitement follows.

ACT III. A little later the same evening, with the same setting as ACT II. The boys who were entrapped by the movie queen are about to be expelled. The father of one of the boys saves the day .The movie queen turns out to be an advertising manager for a movie queen. The boys are reinstated etc. The boy who was accused of writing the movie queen, finds that he really loves her, after seeing her. The love scene at the end makes all the wrinkles smooth.

Before And After Taking Barium's Course Of Diversified Athletics

SIX *months at the Orthopedic Hospital, Gastonia, and six years of persistent personal effort has made of a partial cripple, an outstanding wrestler and football player.*

TO WHOM IT MAY CONCERN

The particular characteristic of the younger generation of today is summed up in the language of that very generation in the expression, "stuck up." Of course you know that the outward sign is the turned up nose in that lofty manner which says, "I'm it, there is nobody else."

Really there are over four four billion people in the world that never even heard of you.

"Well, I have plenty of money."

There are thousands of people in the world that could buy you and the territory around you, a dozen times or more.

"Well, I at least drive a swell car."

Did you ever own or drive a Rolls-Royce or a Duzenburg? In fact, did you ever see one?

I don't remember seeing your picture in the Rotogravure section of the papers, or even under false advertisements.

"Well, I know I have more brains than anybody else."

Why didn't you win Mr. Edison's contest, or why aren't you associated with Prof. Einstein?

"Well, I'm—I'm—"

That's just the point, what "am" you? You are not even a drop in the barrel, as we say today, and unless you make a non-stop flight to Mars or swim the Gulf of Mexico, you have no cause to keep your nose up in the air as you do. Think it over.

The Law Of Self-Control

The National Education Association Journal publishes the following code as one recommended for use in American schools, and after reading it one is convinced that it furnishes a good guide for all, in or out of school:

Good Americans try to become strong and useful that our country may become even greater and better. Therefore they obey the laws of right living which the best Americans have always obeyed. Good Americans control themselves. Those who best control themselves can best serve their country

(1)I will control my tongue and will not allow it to speak mean, vulgar, or profane words.I will think before I speak. I will tell the truth and nothng but the truth.

(2) I will control my temper and will not get angry when people or things displease me. Even when indignant against wrong and contradicting falsehood, I will keep my self control.

(3) I will control my thoughts and will not allow a foolish wish to spoil a wise purpose.

(4) I will control my actions. I will be careful and thrifty and insist on doing right.

(5) I will not ridicule nor defile the character of another; I will keep my selfrespect and help others to keep theirs.
